MATCHPLAY II

MatchPlay II is the guaranteed, British manufactured, performance tennis surface that offers maximum comfort underfoot.

Upgrade

Ideal for enhancing and renewing old or worn hard porous courts that have fallen into disrepair.

Stability

The scrim-reinforced surface remains flat and in contact with the sub-base for the playing life of the installation.

Multi-Sport

Surface can be used for netball, basketball and other recreational sports. Preferred sand dressed surface for netball.

Inlaid Line Option

Lines can be permanently inlaid in white, yellow, red and blue.

Player Friendly

In-built cushions makes for medium-paced play and is easy on player's leg joints.

Greater Seam Strength

Fully integrated fibre backing gives greater seam strength.

Fast Installation

Manufactured in kit form, 4.1m wide to minimise post-delivery work required.

Low Maintenance

Can be cleaned with power washers and solutions or deep brushes. Inlaid lines require minimum maintenance thus reducing on cost.

Added Value

All weather usage maximises playing time and increases revenue potential.

Guarantee

Installations can be guaranteed for 5 years and extended with use of approved Playrite installers. Quality assured to British Standards.
